

A close-up portrait of a young man with thick, wavy brown hair and light blue eyes. He is looking directly at the camera with a neutral expression. He is wearing a black crew-neck t-shirt. The background is a solid, dark color, possibly black or dark grey, which makes his features stand out. The lighting is soft and directional, coming from the front and slightly to the side, highlighting the texture of his hair and the contours of his face.
